...an der Gartenschau

- integrational business operation -

Thank you for visiting our Brewhouse at the Kaiserslautern Garden Show

The restaurant staff and the Lebenshilfe Westpfalz e.V. (organization supporting disabled persons) welcome you and wish you a pleasant stay.

The Brewhouse is part of our integrational business operation employing disabled and non-disabled people under equal conditions – as it is the case with our kitchen and service staff.

For many people, participating in working-life is an essential milestone for a satisfying and full life. It is often more difficult for the disabled to find suitable workplaces matching their skills and desires and ensuring them a sense of security.

As our guest you may expect delicious food and good and quick service. Although, we are always endeavoured to meet the expectations we must depend on your friendly understanding and patience. We thank you very cordially for it in advance.

Please talk to us if you have any questions. We will always take time for you.
